

## 2014 A Year to Revitalize Republican Values Well Informed, Opinionated, Willing to Act and Open to You!

Join or Renew **M**etro **R**epublican **W**omen (MRW) Today  
**Be informed! Be involved! Be influential! Make a difference!**

Join over 150 conservatives as a member of Metro Republican Women for 2014. Our ability to voice our principles is more important than ever. We face challenging economic times with Democrats controlling many local, state and national positions. It is extremely important to speak out for the conservative, small government and family oriented ideals that have made this country great.

MRW offers 11 monthly programs with powerful guest speakers and updates from local organizers pertaining to the current issues that are making political news. Our February Lincoln Day Tea and Mother/Daughter breakfast in May are favorite events that attract passionate Republicans from around the state.

As a MRW member you are automatically a member of the *Minnesota State Federation of Republican Women* and the *National Federation of Republican Women* – women who are also strong, opinionated and unafraid to be patriotic.

**Please join us for an exciting year!**

Regular Membership cost is \$25.00/year. Men or applicants who are already a member of another MFRW are accepted as Associate members with a cost of \$15.00/year. Student membership cost is \$10.00/year.
